## PRODUCT DATA SHEET

Product Code: TSL

## SILICONE LUBE PLUS

### DESCRIPTION

TREBLEX Silicone Lube Plus is a multi-purpose silicone spray that provides a thin, odourless lubricating protective coating. It can be used in a range of situations, from simple household lubrications to heavy duty applications in industry including, textile, transport and manufacturing industries.

### FEATURES

- Economical, contains significantly more silicone - lasts longer.
- Resists moisture.
- Dry Lubricant
- Colourless.
- Non toxic.
- Non oily.
- Non staining.
- Anti static.
- 360° valve, use inverted if needed.

### APPLICATIONS

When used as directed TREBLEX Silicone Lube Plus will lubricate, waterproof, restore and penetrate in the following applications:

- Lubricates plastic, nylon, rubber, wood and metal, such as zippers, plastic gears, tools, locks and switches.
- Waterproofs canvas and other fabrics.
- Heavy duty applications, truck strapping ratchets, curtainer rings.
- Preserves and protects rubber, vinyl, dashboards, seals and plastic parts.
- Restores and protects rubber mats, weather strips and door mouldings.
- Release agent stops glass, plastic, paint and wood sticking, e.g. mould release.
- Anti static breaks static dust attraction cycle, suitable for fabrics.
- Imparts glossy shine to plastics and metals.

### DIRECTIONS

- Shake can well before use.
- Spray evenly from approx 20cm onto the area being treated.
